ABDOMINAL ULTRASOUND PATIENT PREP

PATIENT NAME _____

Appointment Date: _____ Time _____

What to do:

1. Have a NON-FAT (nothing fried or oily) dinner before 8:00 PM the day before your exam and NOTHING to eat or drink after midnight. Please DO NOT SMOKE the morning of the examination.
2. If MEDICATIONS are needed to be taken in the morning please use just enough sips of water to swallow the medications.
3. Diabetic Patients need to notify their medical providers if there might be any problems with the necessary preparations for the ultrasound.

If you have any questions about your study you may call your provider or the outpatient department. For questions about the patient prep, please call the Medical Imaging Services department at:

(907) 842-5201 ext 6365 or (907) 842 9365
