

Protect Our Community. Preserve Our Culture. Get Vaccinated Today.

Vaccines are safe. They help keep our families strong and our traditions alive. Be an example for the next generation and get vaccinated.

The BBAHC Immunization Team is coming to Manokotak on March 4:

**Manokotak Clinic, 9 am - 3 pm
Manokotak Nunaniq School, 3-5 pm**

Call the Immunization Department for an appointment at (907) 921-7205.
Walk-ins are welcome!

We will help you get up to date on immunizations and have tuberculosis (TB) testing available to keep you safe and healthy. The team is also available for Well-Child visits for your children.

Scan the QR code with your phone to see what vaccines you are due for.
